### NOTICE

#### RE: Questionnaire and Rectification Progress of Building Renovation Project

Our office hereby notify all owners that the Building Renovation Project is approaching the completion stage. Few months ago, our office had issued a completion questionnaire to all owners, and after receiving it, the questionnaire was also submitted to the contractor for rectification and follow-up.

After the contractor has completed the rectification works of individual units, it will submit the report for the progress of rectification works. Our office is now regularly updating the relevant report and posting it in the lobby so that owners can check the status of the repairs. If the owner finds that the information in the report of your unit is incorrect, please call 2646 1859 during office hours. Thanks for your kind attention.
