IMPORTANT NOTICE

RE: New confirmed cases of COVID-19 (CASE NO. 14750)

On 5 February 2022

The Management Office was notified by the CHP that there was a new confirmed case (case number: 14750), which was reported to be located in Bellevue Court, and linked with previous case number: 14319. Since the two confirmed cases were taken out of the estate by the CHP together on 1 February 2022, we have arranged to carry out a comprehensive disinfection of the entire housing estate on the same day.

Subsequent to the announcement by the CHP on the updated quarantine arrangements of local COVID-19 cases with a mutant strain, persons who resided or worked within the same building as the residence of relevant cases will be subject to compulsory testing on specified dates in accordance with the announcement by the Department of Health (DH). They will also be required to undergo self-monitoring until the 21st day. For prudence's sake, the above compulsory testing requirement applies to completed a COVID-19 vaccination course as well.

Our office would like to remind all residents to increase their awareness of personal hygiene protection, keep clean and wear masks at all times to prevent the spread of the virus.

For enquiries, please contact our staff at 2646 1859.
