通 告

有關：大堂及升降機有漬水事宜

就上述事宜，本處發現有業戶游泳後全身仍濕透便直接乘坐升降機返回單位，使沿途留有水漬，而大堂及升降機更留有許多積水容易使其他居民滑倒。此行為，不但影響環境衛生，更影響其他居民出入。因此，敬請各業戶游泳後抹乾身上之水才離開泳池。

敬希垂注，多謝合作！

NOTICE

Re: Lobby and Lifts are Flooded

The Management office found that some residents were still drenched after swimming and took the elevator directly to return to their units, leaving water stains along the way, and there was a lot of water in the lobby and elevators, which could easily cause other residents to slip and fall. This behavior not only affects environmental hygiene, but also affects the access of other residents. Therefore, all residents are requested to dry off the water on their bodies before leaving the swimming pool.

Thank you for your co-operation.
