

煤氣

定期安全檢查

Towngas Regular Safety Inspection

為確保家居安全及防患於未然，我們每18個月到訪客戶家中進行定期安全檢查。

To ensure home safety and prevent problems before they occur, we visit customers' homes every 18 months to carry out Regular Safety Inspection.

我們的技術員均為註冊氣體裝置技工，並會穿著制服和配戴公司員工証，以茲識別。

為方便進行檢查和節省閣下的時間，可預先把煤氣爐具和煤氣錶附近的物件移開。多謝合作！

Our technicians are all registered gas installers and will wear uniforms and staff badges for identification purposes.

To facilitate thorough inspection and save your time, please remove the items around the gas appliances and gas meter in advance. Thank you for your kind cooperation!

檢查煤氣爐具，確保運作正常

Checking the gas appliance to ensure they are working properly

檢查煤氣喉管，以防漏氣

Checking gas pipes to prevent gas leakage

測試長者安居服務協會安裝的平安鐘

Testing the Personal Emergency Link installed by the Senior Citizen Home Safety Association

如需更改檢查日期，請致電客戶服務熱線。To change your inspection appointment, please call our Customer Service Hotline.
